

# Sugar Figurines

Our royal icing sugar figurines are all painstakingly hand-made, so no two are exactly alike.

We put a lot of effort and time in designing and creating lovely or adorable sugar figurines, and we are proud of the wide variety we offer for all occasions, from generic designs to festive ones.

From adorable teddy bears, bunnies and lambs, to baby girls, prosperity gods and santas, we are sure these Halal certified sugar figurines add another dimension to your cakes, for that wow factor.

We also custom make sugar figurines for you at a minimum order, so come talk to us if you have a special design in mind.  
That's what we are good at!
