

Edible Gold Decor

Ready to Use, Ready to Eat, Ready to Decorate!

These 100% food grade gold decorations are just the perfect toppers to add that extra oomph to your cakes, cupcakes, petite fours, even barista style coffee.

So easy to use – just lift and lay, wherever you want, for that perfect touch of understated class.

Best of all, our Edible Gold Décors come in so many beautiful designs, so you will definitely find one to match your theme and style.
