

# Fondant

Ready to Roll Icing, also known as Sugar Paste or Fondant Icing.

We know that the right fondant will give your cakes the clean, polished base that is so crucial for a well decorated cake.

We are especially proud of our range of fondant, the delicious, soft, and pliable result of months of testing in our facility, to get just the right taste, texture and usability. that our customers demand

Our fondant range is Halal certified, and comes in many vibrant colours and packaging size, so we know you will find your perfect match!
