

Transparent Transprint

Push your white chocolate decorations up a whole new level, quickly and easily, by using our Transparent Transprints.

These are beautifully designed, thin and transparent coatings, which are applied onto white chocolate and desserts, for a truly spectacular effect

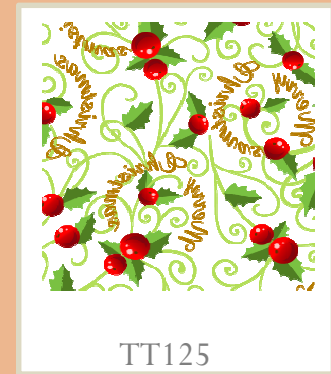

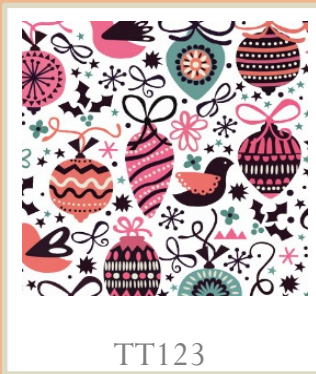

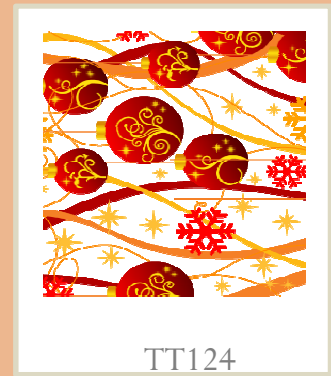

We are proud of our amazing range of Halal certified Transparent Transprint designs, in brilliant shades of colour or gorgeous pastels.

Be spoilt for choice! Select one or many of our designs, mix and match them, apply them onto your white chocolate, cakes and pastries, and wow your customers each and every time!
